From: Baxter Mutual Water Co.

Subject: Notice of Violation and Order

Baxter was issued a Notice of Violation and Order because of a missed water test the last quarter of 2010. We received the Notice May 19. To comply with the notice, we will post attached Notice to customers (who are water system owners) at the local community mail box. All customers pick up mail at this mail box and the notice will be in a prominent place where they will all see it. The notice will be posted for 7 days which will be ample time to insure all customers see it. The Notice to customers will also be published online at the Baxter Web Site.

Per your requirements, we wait your approval before posting the notice.
